AN OPEN LETTER TO THE PEOPLE OF BRISBANE~ 5¢

~FROM A GRATEFUL FAMILY~

"MY DEAR FRIENDS:

THIS IS THE ONLY WAY IN WHICH I KNOW TO THANK YOU ALL FOR YOUR WHOLE-HEARTED RESPONSE TO OUR NEED IN THE TIME OF OUR GREAT TRAGEDY. NO TOWN HAS EVER BEEN SO COMPLETELY SYMPATHETIC AS BRISBANE HAS BEEN--AND WE KNOW YOUR IMMEDIATE AID HAS COME FROM YOUR HEARTS. WE ARE GRATEFUL, AND WE ARE THANKFUL THAT SINCE TRAGEDY HAD TO STRIKE US SUCH A TERRIBLE BLOW AT THIS TIME, THAT IT HAPPENED WHEN WE COULD RELY UPON YOUR PROTECTION AND LOVE.

NO ONE, ANYWHERE--MAY EVER AGAIN SAY ANYTHING AGAINST BRISBANE OR THE PEOPLE OF BRISBANE, WHILE IN MY PRESENCE--FOR THEY WILL HAVE A FIGHT ON THEIR HANDS IF THEY DO!

IT IS OUR DESIRE TO BE ABLE TO REPAY YOU ALL IN SOME SMALL MEASURE--AND IF WE ARE EVER IN THE POSITION TO DO SO, REST ASSURED THAT IT WILL BE DONE. OUR HEARTFELT THANKS, AND OUR EVERLASTING GRATITUDE TO THE PEOPLE OF BRISBANE!

---FROM MRS. DAN CASE AND FAMILY.

AROUND THE CORNER:

Around the corner I have a friend,
In the great city that has no end;
Yet days go by, and weeks rush on,
And before I know it, a year is
gone.
And I never see my old friend's
face,
For Life is a swift and terrible
race.
He knows I like him just as well,
As in the days when I rang his
bell--
And he rang mine. We were younger
then,
And now, we're tired and busy men.
Tired from playing a foolish game,
Tired with trying to make a name.
"Tomorrow", I say, "I will call on
Jim--
Just to prove I'm thinking of him."
But tomorrow comes, and tomorrow
goes--
And the distance between grows &
grows.
Around the corner--yet miles away--
"Here's a telegram, Sir"----
JIM DIED TODAY.
And that's what we get, and de-
serve in the end--
AROUND THE CORNER, A VANISHED
FRIEND!

VOTE IN THE NOVEMBER ELECTION:

Out of every 100 California Citizens entitled to vote in the 1948 General Election, only 60 went to the polls. As Californians, we should be thoroughly ashamed of that record. Let us now make up our minds that we will not permit it to happen again. We know very well that in the coming election, groups with special axes to grind will make sure that they go to the polls. With nearly half of our citizens staying home, every Communist and crackpot, in effect, will cast two votes by ganging up and concentrating in strategic places. It is our paramount duty as Americans to vote in every election, and to see that your relatives and friends do likewise. ADRIEN J. FALK President, CALIF. STATE CHAMBER OF

APOLOGY:

The BYLINE would like to take this opportunity to apologize for leaving out the names of any of the organizations, or donators of money to the DAN CASE fund, or any other person or persons who helped out so whole-heartedly at the Military Services, the funeral, and any other service rendered the family--in the last issue of the Byline. As you know, writing Dan's obituary was one of the hardest tasks your editor has ever undertaken--not because of the work involved, but because we knew him so well. If we left out any names, we beg forgiveness on the grounds that we could not be completely efficient at such a trying time.

We have been asked to state here that the American Legion Post #473 helped in the Services and in the burial--not because Dan was a member (which he wasn't)--but because the Legionnaires wanted to do what they could for a man they all liked and respected. It has also come to our attention that the local Walter BLair VFW Post of Brisbane assisted in the Military Services on Wednesday evening.

Many of you are still wondering about the accident which took Dan's life so early that Sunday morning. From a reliable source of information, we have learned that Dan Case suffered a brain hemorrhage immediately preceding the accident. Many of you will remember that Dan suffered terrific headaches for the past year, due to a head injury during the past War. This head injury was reopened last year when a prisoner who Dan was taking to Redwood City hit him over the head with a pair of handcuffs--necessitating five stitches being taken. We can suppose, therefore, that our Chief of Police never knew when his car left the road. We can believe that Dan Case just "blacked out"--and never awakened.

REPORT FROM BRISBANE P.-T.A.:

Music! Music! Music! It's television for our Brisbane P.-T.A. Glee Club! On Sunday, October 29th between 4:30 and 5 p.m., they will appear on the Del Courtney Show --KPIX-TV. According to Frank King, director, the choristers plan to sing a trio of songs and will be interviewed by Courtney as to their origin, minstrel show, etc. Everyone is anxious to view this broadcast, and instead of asking "How are you?" these days, Brisbaneites are asking, "DO YOU HAVE A TELEVISION SET???"

The singers scored another triumph when they sang before the recent evening meeting of Jefferson High School P.-T.A., and once again, their "DRY BONES" number had the whole audience tapping their feet. And if you havent purchased your ticket for "PLANTATION DAYS" better contact Mrs. Alfred Pistohl, Juniper 5-3223, right away. It's later than you think!

Approximately 150 mothers attended the two Mother-Teacher Teas given recently at the school by the unit. Following a visit to their child's room, where the class work was explained, the mothers and faculty members proceeded to the auditorium, and got acquainted over tea cups. On hand the first day was Miss Frances Gulland, primary Kindergarten Supervisor of the county, who spoke on the characteristics of primary grade children. Miss Gail O'Grady spoke the second day on upper grade curriculum. She is Elementary Supervisor of the County. On both days, greetings were extended by Mrs. Roy Edwards, president, and by Mrs. E.R. Whitson, Room Representative Chairman, who introduced the room mothers. Mrs. Barbara Sullivan and Mrs. William May, membership chairmen, announced that a cash prize will be awarded to the class obtaining the highest percentage of members. According to Miss Natalie Lipman, Superintendant, a ceramics class will be formed at the recreation center in the near future. So, if any adults are interested, will they please contact the school office? (Juniper 5-9523). The Room Mothers were hostesses on both days, and pouring tea were Mesdames E.R.Whitson, Chester Nail, Ralph Adkisson, Alfred Pistohl, Albert Jennett, Jack Sullivan, and C.W.Hammond. In charge of the hospitality was Mrs. Edith

RON WRIGHT'S SPORTS COLUMN:

While the Jefferson Varsity was idle last week, the Frosh-Soph were winning over Balboa 26-6. The Balboa team used a T-Formation and the "south-paw" quarterback was quite effective on his passes --but not effective enough. The Frosh-Soph used a single wing-back unbalanced line, just like the Varsity. The Frosh-Soph are getting better all the time, and they arent' afraid to tackle. The boys are getting "victory-conscious", but the coach hopes to drive that out of them by criticizing their mistakes--not to mention the couple of miles a day in laps.

****

The 110's and 120's won both their games on Oct. 16th by 22-17 and 38-17. The teams are looking pretty good this season, and we hope they keep up the good work.

****

Stan Bingham's mighty Brisbane Team went down to a gripping defeat Saturday, October 14th, when the 9th grade beat them 18 to 0. Those kids are playing against large odds, but if they keep up their heads and block hard, they'll come out okay. The team used a T-Formation, and to my estimation, should be used when playing touch-tackle football, because the quarterback can be tagged easily because of bad blocking.

If the Teen-Agers would like to continue their dances, perhaps they should come dressed for dancing--they should also dance instead of standing around and watching. And please don't come around with that certain smell on your breath--I AM SURE YOU KNOW WHAT I MEAN!

GLEE CLUB SCORES TRIUMPH AT JEFFERSON

In the estimation of your editor, who is slightly prejudiced anyway--having a husband who is a tenor in the glee club--last Thurs. night's performance at the Jefferson Union High School P.-T.A. meeting surpassed all expectations. We know a lot of the people there were expecting to be bored stiff by a bunch of "amateurs" trying to sing professional stuff. WERE THEY EVER SURPRISED! I wasn't. But then, I've attended almost every rehearsal since the club was first formed--and I've seen and heard this fine group of people grow from GOOD to BETTER, and then on to BEST. I think I've had more faith in this group than they did themselves. And now I'm waiting for Sunday, October 29th--when our local group will appear on the Del Courtney show on KPIX Television, between 4:30 and 5 p.m. I think they will surprise themselves again by being much better than they expect to be! I think also, that FRANKIE KING deserves much of the credit--after all, he has worked harder than anyone else to make of this thing the success it promises to be.

SADDER, WISER? BUT HAPPY:

Vera Blair and Stella Smith are back at work at the Fountain of Youth, after a hectic ten days spent in the Wilds of Reno. Vera has slot-machinitus, and Stella suffers from airoplanophobia--but the two "gals" are making plans for doing some more of the same in the future! I've got a better idea, kids! Next year, you stay here and rest, and let ME go!

LOCAL WOMAN VERY ILL:

Mrs. Elva Bybee, of 133 Monterey Street, has been at the South San Francisco Hospital this past week, suffering from a severe stomach ailment. Mrs. Bybee has been unable to retain food of anykind, and is being fed through the veins. We all hope that Mrs. Bybee recovers her health very soon, and can return to her home.

EASTERN VISITORS:

Mrs. Helen Cahoon and her two-year old son David flew across the nation on an overnight trip recently, arriving in Brisbane this week from Cape Ann and Boston, Massachusetts. Mrs. Cahoon and small David will make their home with her aunt Marian Loheit, of our city. We do hope that the usual charm of Brisbane and it's residents will keep the Cahoons here to become permanent residents.

"THAT DAY"--

If YOU sit down at set of sun
And count the acts that you have done,
And, counting--find
One self-denying deed, one word
That eased the heart of him who heard--
One glance most kind,
That fell like sunshine where it went--
Then you may count that day well spent.
But if, through all the livelong day
You've cheered no heart, by yea or nay,
If, through it all,
You've nothing done that you can trace
That brought the sunshine to one face--

(continued above.)

No act most small--
That helped some soul and nothing cost--
Then count that day as worse than lost.

WHERE TO BUY THE BYLINE:

As you know, it has been our policy to place the BYLINE on sale in the stores on THURSDAY NIGHT or FRIDAY Morning--to enable the stores a chance to sell to their regular customers before the our little demon-salesmen descend upon our defenseless town on Saturdays. For those of you who are impatient to read the news before it becomes stale--may we suggest that you drop in at CLEARY'S GROCERY---LES'S MARKET--LAING'S FOUNTAIN--or the FOUNTAIN OF YOUTH for your copy of the BYLINE. We have raised the wages of the salesboys (and girls) to 2¢ per copy, with a bonus of 10¢ for every twenty copies they sell. Therefore, it is possible for them to make 50¢ on every twenty copies--or $1.00 on each forty copies they sell. Whereas---the stores above mentioned are getting no kick-back whatsoever for the BYLINE sales they make. They are selling because of customer courtesy, and because they have faith in the BYLINE. We are not suggesting that you stop buying from the boys---far from it----but we have noticed that some of you are eagerly awaiting the Byline each week---and for you, there are the brand new issues in the stores one or two days ahead of the boys sales. Besides we think you should drop into the stores-- [illegible]
